ORDER VACATING BOARD DECISION
AND ORDER DISMISSING APPEAL

Procedural History

On September 30, 2005, Appellants filed a Notice of Appeal. On July 25, 2006, prosecution was reopened and a non-final Office action was mailed. On

October 24, 2006, Appellants filed an Appeal Brief and a request to reinstate the appeal, and on July 6, 2007, a Docketing Notice from the Board of Patent Appeals and Interferences (hereinafter “Board”) was issued.

Sometime later, on January 14, 2008, Appellants filed a Request for Continued Examination (RCE) under 37 C.F.R. § 1.114. Unaware of the RCE, the Board rendered a decision in the pending appeal on April 22, 2008, wherein the Board reversed the rejections on appeal and entered a new ground of rejection under 37 C.F.R. § 41.50(b).

Because the RCE was timely filed, it will be treated as a request to withdraw the appeal as reinstated on July 6, 2007. It is further noted that the RCE has been processed in the Technology Center and prosecution before the Examiner is proceeding. Thus, we dismiss the appeal and provide this notice that Appeal 2007-3369 is no longer pending before the Board. Moreover, in view of the RCE, the Board decision of April 22, 2008, is hereby vacated.

CONCLUSION

Accordingly, we hereby vacate the Board decision issued on April 22, 2008, and

ORDER that the Examiner dismiss the Appeal filed on September 30, 2005, and for such further action as may be appropriate.
